MONTANA
Fishing Regulations

May 17, 1975 through May 15, 1976

The accompanying map is an aid only. Regulations and legal descriptions of fishing districts follow in print.

By order of the Montana Fish and Game Commission, the following dates and regulations for the 1975-76 fishing season are adopted.
Montana Fish and Game Commission
Wesley Woodgerd, Secretary
January 3, 1975

To be in full force and effect through May 15, 1976. All regulations are subject to change by the Commission.

LICENSE REQUIREMENTS

A fishing license is a permit for the lawful holder thereof to fish for and possess any fish within the state as authorized by fishing regulations.

Residents — Each resident 15 years and older must have a license to fish. Residents 14 years old or younger may fish without a license but must observe limits and all other fishing regulations.

Special licenses and permits are available for patients at veterans' administration hospitals and for residents of certain state institutions.

Nonresidents — All nonresidents 15 years and older must have a fishing license to fish. Nonresidents 14 years old or younger may fish without a license when accompanied by an adult with a valid Montana fishing license. The total number or pounds of all fish taken by the licensed adult and all persons 14 or younger, accompanied by such licensed adult, shall not exceed one legal limit. However, a nonresident of any age may purchase a nonresident fishing license and be entitled to take a legal limit of fish.

IT IS UNLAWFUL

to transplant or introduce any fish or viable fish eggs into any waters;

to refuse to show one's license upon demand;

to loan or transfer your fishing or hunting license or tags to any person;

to sell game fish except as prescribed by Montana Fish and Game Commission regulations;

to leave or dump any dead animal, fish, garbage or litter in or on any state or private property where public recreation is permitted;

to use any carbide, lime, giant powder, dynamite, or other explosive compounds, or any corrosive or narcotic poison or to have any of the same in one's possession within one hundred (100) feet of any streams where fish are found, for the purpose of stunning or killing fish.

It is unlawful to operate upon Montana waters a boat which:

is not properly licensed and numbered with registration card carried in boat;

is not carrying equipment required by the Montana Water Safety Law (copies available from Montana Department of Fish and Game);

does not have one serviceable, Coast Guard approved personal flotation device for each passenger. Persons under 12 years old must **wear** P.F.D's when boat is in motion and is less than 26 feet long.

STATEWIDE REGULATIONS

DAILY AND POSSESSION LIMITS

When weighing fish to determine limits, fish may have entrails removed but must have their heads and tails attached to their bodies.

Daily limit shall mean the numbers or pounds of fish that may be legally taken during a calendar day. No person shall take or possess more than the daily limit of fish unless otherwise specified under district regulations.

Possession limit shall mean the numbers or pounds of fish which may be in one person's possession at any time in any form — fresh, stored in freezers or lockers, salted, smoked, dried, canned or otherwise preserved.

Refer to district regulations for respective daily and possession limits.

SEASONS

All dates given are inclusive dates. Where dates specify an open season, fishing is closed throughout the remainder of the year. An open season is for all species unless otherwise specified.

FISHING HOURS

Fishing is allowed at all hours during open fishing seasons except where waters are posted otherwise.

COLOR CODES

Closed To Fishing All Year

Season More Restrictive Than General Season

GAME FISH

The following fish are game fish; all species of the genus Acipenser (white sturgeon); all species of the genus Esox (northern pike); all species of the genus Micropterus (bass); all species of the genus Polyodon (paddlefish); all species of the family Salmonidae (char, trout, salmon, grayling, and whitefish); and all species of the genus Stizostedion (sauger and walleye).

MEANS OF TAKING

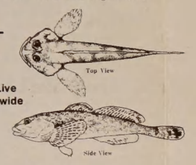
Only a single line with hook or hooks, with or without a pole, may be used for fishing unless otherwise specified in district regulations. The pole or line must be in immediate control.

Setlines may be used as provided under district regulations. Setlines are lines that may be unattended. They may include poles and tipups.

A screen or a net not to exceed four (4) feet in length may be used to take sculpins (Cottus) for bait. Otherwise, use or possession of minnow seines, snares, or fish traps is unlawful except as provided under district regulations.

Sculpins- (Cottus)

Can Be Used As Live Bait Statewide



FISH AS BAIT

Carp or goldfish may not be used in any form as fish bait.

Sculpins (Cottus) may be used live for bait statewide. Otherwise, fish may not be used for bait except as provided under district regulations.

Fish that may be used dead as bait, but which may not be used live, must have their heads or entrails removed, or must have been preserved or frozen.

CLOSED WATERS

All waters operated by the Montana Department of Fish and Game and the U. S. Fish and Wildlife Service as fish hatcheries and rearing ponds shall be closed to fishing at all times. Waters in which the Department of Fish and Game is operating fish traps and other special structures shall be closed to fishing as posted. Certain water supply lakes and streams and hazardous areas are closed as posted.

CHILDREN'S FISHING WATERS

Waters posted as Children's Fishing Waters are closed to fishing during the entire year to persons thirteen (13) years of age and older.

BEAVER PONDS, IRRIGATION CANALS AND DITCHES

Impoundments formed by beaver dams on streams are governed by the same regulations as govern the streams. Man-made irrigation canals and ditches are open the year around unless shown otherwise under district regulations.

INDIAN RESERVATIONS AND WILDLIFE REFUGES

Certain waters on Indian reservations and national wildlife refuges may have special regulations that apply to their individual areas. Specific information may be obtained from the headquarters of the reservation or refuge involved.

USE OF BOATS

The use of boats is prohibited or restricted on many waters. See Boating Regulations available from Montana Department of Fish and Game.

MONTANA OUTDOORS

is a beautiful, full-color outdoor magazine for the entire family. This official publication of the Montana Department of Fish and Game is published six times per year.

Contact the Montana Department of Fish and Game, Helena, Montana 59601 for further information. Free sample copies are available upon request.
